It is in view to give to Mr Ranjundrah a claim to an allowance for the period he acted as R. M. Officer of the Victoria Hospl, that the Senior Surgeon has applied for the Sanction of Govt to the arrangement made more than a year ago. Thus an order seems to be necessary unless it is intended to deny to Mr Ranjundrah an allowance altogether for the period in question.

Note 7

Mr C. A. Ranjappa Resident Med. Officer of the Victoria Hospl, Bangalore was granted privilege leave of absence for 15 days from the 1st May/13 or date of availment and Dr. H.B. Nyklaganam Specialist was appointed to be the Resident Med. Officer of the Hospl in addition to his own duties. (Vide Govt Note No: 8734 Med 179-12-3 dy 28th April/13.)

Mr C.A Ranjappa availed himself of the leave on the afternoon of 1st May/13 and, as Dr. Nyklaganam was then on the Sick-list with Eczema in his hands, Mr. (N.S. Ranjindriah Asst Surgeon who was then available) was asked to relieve Mr Ranjappa of his duties as Resident Med. officer. In his letter No: G 467 dy 8.5.13 the Senior Surgeon reported the facts to Govt and applied for Sanction to this arrangement made in modification of that ordered in Govt Note dy 28th April/13.

With the approval of the Second member, however, the Senior Surgeon's letter was simply filed and no action was taken in the matter of modifying the Notn of 28.4.13.

After a lapse of ~~nearly~~ more than a year the Senior Surgeon has again made a prefce in the matter and requests Sanction of Govt to the arrangement by which Mr Narayanaraja instead of Dr. Muthayanam was the Resident Medl officer of the Victoria Hospl from the 2d to the 16th May/13 during the absence of Mr C.A. Ranjappa on priv: leave.

The question now for consideration is whether it is necessary to accord the Sanction at this distance of time to an arrangement that took place more than a year ago, by issuing a notification or an order of Govt in the matter.

It is not clear what the Sr. Surgeon means by saying that para 2 ~~requires~~ of the former notification requires to be modified because Mr Mylvaganam did not actually take charge as per the notification. This by its self is no reason to alter the notification and the Comptr will not regard Mr Mylvaganam as holding such charge unless & until a charge report is received from him & if this is not received he will not be regarded as having taken this charge. There is therefore no harm in the old notification remaining as it is - from this point of view -

Sir,

Adverting to Government Notification No. 8734 Med. 179-12-2 dated 28th April 1913, appointing Mr. H.B. Mylvaganam to be Resident Medical Officer of the Victoria Hospital, in addition to his own duties, during the absence of Mr. C.A. Nanjappa on 15 days' privilege leave, I have the honor to state that Mr. Mylvaganam himself took ill and had to be granted 3 days' casual leave with permission to avail himself of the 4th (Sunday) as a holiday and although he returned to duty on the 5th he could not do more work than attend to a few out-patients in the Throat, Nose & Ear Department and subsequently went on privilege leave.

2. Under the circumstances, effect could not be given to the acting arrangement ordered in the notification above referred to, and Assistant Surgeon Mr. N.S.Nanjundiah had to be posted to act as Resident Medical Officer instead. The fact was reported to Government and their approval solicited in this office letter No.G. 467 dated 8-5-1913. The arrangement lasted for 15 days from the 2nd to the 16th May 1913.

3.

3. I request that necessary sanction of Government may now at least be accorded and communicated to the Comptroller.

I have the honor to be,

Sir,

Sir,

With reference to your letter No. 2138 Med. 7-14-6 dated 27th August 1914, stating that as Mr. N.S. Nanjundaiya did the work of the Resident Medical Officer in the ordinary course at a time when he was working in the Victoria Hospital, Government do not think it necessary to accord formal approval to his appointment as acting Resident Medical Officer, I have the honor to submit as follows,-

2. The duties of Resident Medical Officer are entirely different from, and more onerous & responsible than, those of a doing duty Assistant Surgeon, that the former post carries a substantial local allowance, for which there would, otherwise, be no justification.. Moreover, the arrangement reported to Government in this office letter No.G. 467 dated 8-5-1913, involved a modification of the acting arrangement ordered by Government in their Notification No. 8734-M ed. 179-12-2 dated 28-4-1913. Para 2 of this Notification requires to be cancelled by the issue of a fresh Notification or Order, since Mr. Mylvaganam never did the duties of Resident Medical Officer.
